Re: Correct Hazardous Waste Generator ID Numbers

Dear Mr. Schanz:

Our records show that your company was mistakenly issued two sets of hazardous waste generator ID numbers for your location. We have, therefore, deleted the second set of numbers. The correct set of numbers are:

Missouri ID Number: 001383
EPA ID Number: MOD000805499

Please correct your records as needed. I apologize for any inconvenience this causes you. Should you have any questions, please contact this office at (314) 751-3176.

Sincerely,

DIVISION OF ENVIRONMENTAL QUALITY
